SPECIAL REQUESTS: Write on the registration form if you want brothers or sisters to play together on the same team. They must be in the same grade grouping. ***We try to honor special requests, but there are no guarantees.***

TEAM PLACEMENT: Teams are formed by the Parks and Recreation Department. We divide by grade so that the teams can have approximately the same ratio of younger children to older children. We try and place children on teams from the same school. Our goal is to make teams as equal as possible and put kids on a team where they know each other.

HOW/WHEN WILL YOU BE CONTACTED: Your child's coach will be given a roster of the children on his/her team. The coach will then call you and tell you when the first practice will be held. A list of all practices, games, and a team roster will be available at that first practice. The coaches will be calling their team members between September 8 - September 12. If you have not been contacted by September 12, then call the Parks office at 764-3424 or 764-6386.

RAINOUTS: In case of inclement weather, the league rainout telephone number is 764-3644. This recording will be updated on days when weather is bad, or field status is questionable or look on our website www.eteamz.com/cspard. This is usually updated after 3:30 p.m.

IF YOU HAVE QUESTIONS: Your coach is the person to contact in most instances. The coach's name and phone number are listed on the roster form that your child will bring home from his/her first practice. If that doesn't

If there are any coaches that want to work together, we will **try** and put one head coach and one assistant coach on the same team. Coaches wanting to work together must write that on the child's application.

WE WANT YOU!!
To become a
YOUTH FLAG FOOTBALL COACH!

Get an assistant (a friend) and enjoy the excitement of coaching a youth team....

This is your chance to spend time with your child, as well as teach others what team sports is all about. With your help and dedication, we can make this a positive experience for each child on your team. This will take some time and effort, but if you get a friend or two to help you, it will be worth it, to you and to your child. We will try and provide you with all the necessary tools and training to help with your team.

We have had some great coaches in the past, and we hope that they continue to coach, but every year we fall short and have to call parents that did not sign up, to come forward. Some of those parents have enjoyed the experience so much that they have continued to coach.

We will conduct a training session/coaches meeting for coaches at the College Station Conference Center (1300 George Bush Dr.). The meeting will be held on Thursday, September 8, from 6 PM – 8. We will hand out team packets during this meeting.

If you have any questions, or are interested in helping us make this a positive experience for your child, call Patrick at 764-6386 or David Hudspeth at 764-3424.
